IN THE UNITED STATES DISTRICT COURT
FOR THE NORTHERN DISTRICT OF CALIFORNIA

9 UNITED STATES OF AMERICA,

10 Plaintiff,

11 v.

12 MICHAEL McCANT,

13 Defendant.

15

) No. CR 11-0155 SI

) ~~[PROPOSED]~~ STIPULATED
) ORDER MODIFYING
) CONDITIONS OF PRETRIAL
) RELEASE
)
)
)

16 The defendant Michael McCant made his initial appearance before this Court on March
17 22, 2011. At that appearance the parties agreed to conditions of release, including electronic
18 monitoring. This Court adopted the parties' recommended conditions and released Mr.
19 McCant on March 22nd.

20 In this stipulated order the defense represents that there have been no violations of Mr.
21 McCant's conditions of pretrial release. Mr. McCant has made his initial appearance before
22 the Honorable Susan Illston, and is working with his counsel on the defense of the case. The
23 defense further represents that Mr. McCant has pre-existing injuries to his legs, that appear to
24 be aggravated by the electronic monitoring bracelet.

25 Therefore, the defense has moved this Court to modify the conditions of pretrial release
26 and lift the condition of electronic monitoring. AUSA Robin Harris has spoken with the

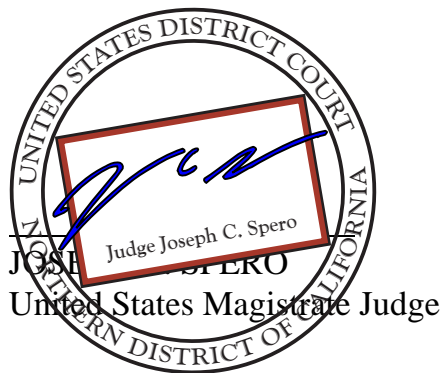

1 supervising Pretrial Services Officer in the case, and has no objection to this proposed
2 modification.

3 Therefore, for good cause shown the Court strikes the condition of Mr. McCant's
4 pretrial release requiring electronic monitoring. Mr. McCant shall contact Pretrial Services to
5 have the monitoring bracelet removed. All other conditions of pretrial release shall remain in
6 effect.
